Dear Jeff:

I wanted to take a moment to commend you and your employees for the work that was done for Lunar Design earlier this week. Your work was completed in an extremely timely and professional manner with very little disruption to our business.

We, here at Lunar Design, were particularly impressed with Ray and Matt Ludwig. Ray provided excellent customer service from start to finish. We appreciated the prompt estimate and all of the follow up care that we received. Matt was professional and courteous. He seems to take a great deal of pride in his job, which shows in his craftsmanship. His attention to detail in every aspect was nothing less than superior.

It's been a great pleasure working together with you. I highly recommend Integrated Door Solutions to any entity, in any industry, because of the quality of your craftsmanship and your extremely professional staff.

Regards,
